Summer Camp

Bethany

BrainChild Education Center brings you our Summer Camp. This is a great opportunity for children entering preschool through 6th grade. Our program integrates **Math**, **English**, **Arts & Crafts**, and **Indoor Gym Activities**. We give students a chance to learn and have fun at the same time. Students cooperate and learn collectively during our group activities which include Math, Reading, Writing, Science, Arts & Crafts, Games, Swimming, and much more. Students practice the lessons on their own with the supervision of our helpful instructors. We provide all the materials and other accessories so that our students enjoy themselves as they learn new materials. Children never had so much **fun** before!
