## **SAT Preparatory Course – Summer 2011**

### **Our SAT preparatory course includes:**

- Over 2000 practice questions PLUS numerous SAT practice tests to help you improve in every area of the exam.
- 54 hours of test preparation, including review of critical subject areas and drills in each type of question on the SAT.
- Weekly SAT practice tests so realistic the test won't faze you at all!
- Course curriculum designed to be methodical in content and approach.
- Small class sizes (6 – 10 students) to foster intensive learning.
- Instruction from our permanent staff of experienced teachers in each subject area.

### **Proof of results:**

- Students who achieved a perfect score in one or more subjects in the last few years:  
*Ryan H., Da L., William F., John T., Natalie C., JiYing Z., Ran Y.,  
Alan H., Luke D., Tara G., Grace W., Kasey H., Catherine C., Andy L.*
